

# The Cavanaugh Chronicle

## Who Is She?

**A** small town in Michigan named Portage, a 16 year old girl lives. Her name is Morgan Elizabeth Cavanaugh and she attends Portage Northern High School currently as a

Junior. Morgan is known as a PN Varsity cheer leader and a friendly person. Her most important attributes are kindness and positivity. Whenever she is seen,

Morgan is always found minding her own business and being quite unnoticeable. However, this girl is not someone you should be

sleeping on or under estimating. Morgan sticks to herself mostly, but is a very sweet girl.

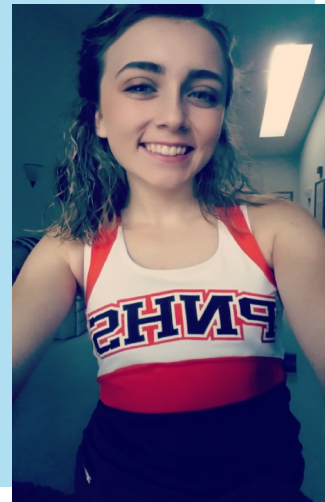

***“Her most important attributes are kindness and positivity.”***

### Family!

**M**organ does have a wonderful family. Her mother, Michele, works as a lab technician at Borgess Hospital where she spends a lot of her

time. Her sweet father, Jerry, works as a car mechanic and is Morgan’s hero. Lastly, her sister Lexi, is a new mommy to her handsome, precious nephew, Julien. As well as, a dog mixed with a Pomeranian and a Poodle, her name is Marley, she is the most important Person in her life. Yes, I said people! Along with family relationships, Morgan is in a long term relationship with her boyfriend, Kyle. These two have been in love since the 7th grade to the present day and still going strong!

A selfie of Morgan before her first football game as a Varsity Cheerleader!

## What Will Come Of Her Future?

**M**organ has big goals for herself that I can not wait to see unfold. She is on track to graduation in June of 2018. From there, she plans to go to KVCC to finish off her core classes

and then transferring to Michigan State University. There she will study Animal Medicine and Business. Upon graduating from college, Morgan plans to kick off her future as a Veterinarian in a local

clinic. Once experience is built up, she plans on branching out and creating her own no-kill animal shelter/hospital where she will take in any animals in need and help them get better if needed, then off to a loving home.

Morgan and her dog Oscar!
